

Tell HER-story.

Women have always led and participated in the reformation of the church, but we only know a handful of their stories. Join the Lutheran World Federation in sharing women's stories through the global Lutheran storytelling project, *Her-stories*.

Send your story to justiceforwomen@elca.org to be considered for this website and for a collection of stories from around the globe at the LWF 2017 Assembly in Namibia.

Share your story, and ask someone to share her story!

- *What women influence you?*
- *What have you done to reform your congregation, church, community or society?*
- *What role have women played in your journey within the Lutheran church?*
- *What has been your experience as a woman within the church?*

Please keep stories to a **maximum of 1,300 words**. Audio/video submissions **up to 5 minutes**. Please include a photo of you or the women in your story. Please mark if you would not like your name included.
